Lectors and Servers:

We would like the lectors to join the congregation in the pews when they are not reading. This will allow the lectors to be able to sit with their families near the front of church and also be able to participate and hear better.

We would then like the servers to use the chairs and kneelers on the side where the lectors were previously sitting. This will allow the servers to have kneelers to use. The servers will no longer kneel in front of the altar but will always stay by the chairs/kneelers.

Please ask Father Swamy or Jane Steinkamp if you have any questions.

Thank you for your patience in this transition.
